KITCHEN REMODEL

PRICING GUIDE

A NOTE FROM LEAD DESIGNER

Hi there,

That's where we come in! We have put together this guide to help you understand the different factors that go into pricing a kitchen remodel. Once you know what to expect, making decisions and getting an accurate estimate will be easier.

Our team of experts will work with you every step of the way, from design to construction. We want you to be involved in every decision so that the end product is something you love and are proud to call your own. Plus, we offer a wide range of customization options so that your remodel is truly unique.

But with the right information, you can make smart decisions that will save you time and money. That's why we've created this guide - to give you the most accurate ballpark estimate for your project. We'll help you figure out what kind of remodel you want, how much it will cost, and how long it will take. So download our guide now and get started on your dream home today!

We understand that you may have some concerns about cost, so we've put together this pricing guide. It gives you an idea of what different levels of renovation will cost so that you can start planning and budgeting accordingly. But remember, these are just estimates – we strive to give our clients accurate quotes as their design evolves.

You're probably wondering how much it will cost. We understand - that's why we've put together this rough guide to give you an idea of price ranges. Keep in mind, that all our work is custom-designed and tailored to your unique preferences, so the final bid will be driven by the finishes you select, your existing layout, and many other factors.

Contact us today to set up an appointment for a free consultation. We can discuss your goals and come up with a plan that works best for you and your budget.

READY TO DO YOUR KITCHEN REMODEL?

At OneStop Kitchen and Bath, we offer innovative design-build services that transform your kitchen into a more functional and beautiful space. We have talented professionals who have the experience and training to make the heart of your home more inviting than ever. We want your kitchen not just to be a place for cooking meals, we want it to be a special space for making memories with friends and family.

We offer accurate estimate services that are based on your preferred kitchen design. A client-focused approach that's easy for you to understand while we take care of the technical work. Now, here are a few suggestions we can have for your kitchen remodel:

- Tearing down walls and connecting your kitchen to the dining and living space of your home.
- Installing kitchen islands, coffee bars, peninsulas, and dining tables.
- Personalized kitchen countertops, pantries, and cabinets.
- New lighting, backsplash, and fixtures.
- Personalized storage that is built into the wall.

LEVEL II | FULL RENOVATION | $40,000+

We can completely redesign your kitchen for this package to match your lifestyle. We will render a 3D design of the possible look of your kitchen. Moving some of your plumbing and electrical fixtures would be necessary for the new layout of your kitchen.

Installing a new kitchen island, peninsulas, or coffee bar can be done on this package as well. New appliances can also be installed between your cabinets to save floor space. A transformative client-centered approach will be used for all improvements.

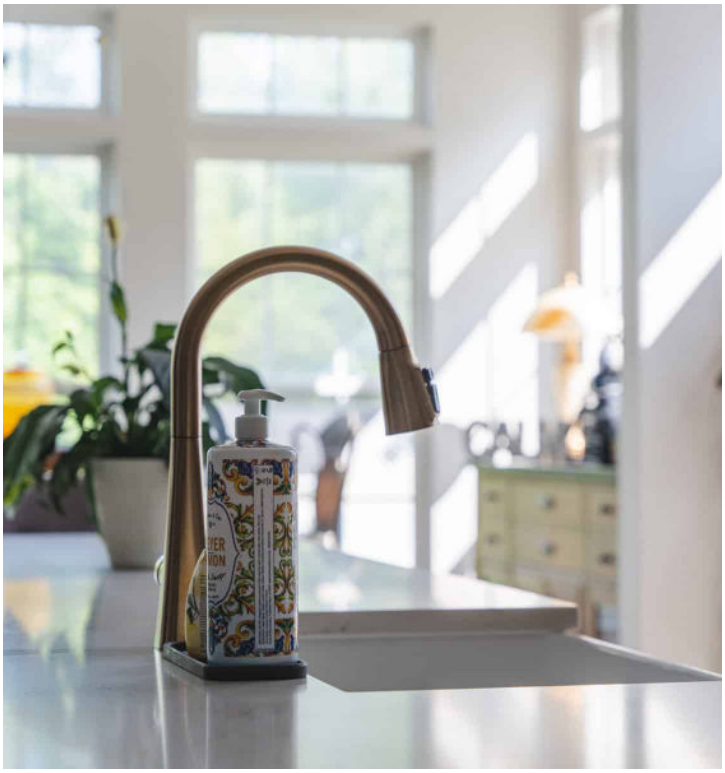

LEVEL III | DREAM KITCHEN | $90,000+

We can transform your outdated kitchen into a chef-like kitchen with all modern amenities and finishes. This is a rewarding investment for you and your family. We'll install custom cabinets, kitchen countertops, and high-end products for your kitchen makeover.

A modern sink, faucet, and lighting would also be great since that adds to the function and style of your space.
