BATHROOM REMODEL

PRICING GUIDE

A NOTE FROM LEAD DESIGNER

Hi there,

That's where we come in! We have put together this guide to help you understand the different factors in pricing a bathroom remodel. Once you know what to expect, it will be easier for you to make decisions and get an accurate estimate.

Our team of experts will work with you every step of the way, from design to construction. We want you to be involved in every decision so that the end product is something you love and are proud to call your own. Plus, we offer a wide range of customization options to make your remodel unique.

But with the right information, you can make smart decisions that will save you time and money. That's why we've created this guide - to give you the most accurate ballpark estimate for your particular project. We'll help you figure out what kind of remodel you want, how much it will cost, and how long it will take. So download our guide now and get started on your dream home today!

We understand that you may have some concerns about cost, which is why we've put together this pricing guide. It gives you an idea of what different levels of renovation will cost so that you can start planning and budgeting accordingly. But remember, these are just estimates – we strive to give our clients accurate quotes as their design evolves.

You're probably wondering how much it will cost. We understand - that's why we've put together this rough guide to give you an idea of price ranges. Keep in mind, all our work is custom-designed and tailored to your unique preferences, so the final bid will be driven by the finishes you select, your existing layout, and many other factors.

Contact me today to set up an appointment for a free consultation. We can discuss your goals and come up with a plan that works best for you and your budget.

READY FOR REMODELING YOUR BATHROOM?

At OneStop Kitchen & Bath, our professionals have extensive experience and training in bathroom remodeling. We take pride in not just updating your space but transforming it into something great that adds value and comfort to your home. We have talented professionals who have the experience and training to make the heart of your home more inviting than ever.

We offer custom design-and-build services to our customers that'll help them improve the function and aesthetics of their bathrooms. We give you accurate estimates of the design you want for your home remodels. Below are some of the suggestions we can do for your bath:

- Heated flooring
- Wet bathrooms and walk-in showers
- Custom cabinets and countertops
- Backsplash
- New tubs
- Fixtures and Hardware

To learn more about our client-focused remodeling process, you can contact us today or visit our website.

LEVEL I | UPDATE SPACE | $15,000+

A facelift of your bathroom isn't enough to bring it up-to-date. Updating some of its fixtures and products would be necessary to improve the overall functionality of your bathroom. Some of these things we can update are the flooring, fixtures, drywall, and old finishes.

In this package, installing a new sink, vanity, and toilet can also be done. We can also get you a new quartz countertop for your vanity top. For your old tub and surrounds, we can also update them. New lighting and ventilation, you can also expect that to happen for this package.

LEVEL II | FULL RENOVATION | $25,000+

If you have a bathroom that's larger than 5'x8', you can opt for a custom bathroom renovation. This is an opportunity to change the entire layout and design of your outdated bathroom. We can render a 3D design of the possible outcome of your bathroom remodel.

For all the products, fixtures, and amenities for your bathroom project, we can tailor-fit them to your preference and lifestyle. We'll guide you on the product selection process so that you'll perfectly pick the right ones for your bathroom redo.

LEVEL III | DREAM BATHROOM | $40,000+

If you aspire to have a spa-retreat master bathroom, we can do that for you. It'll be the most rewarding thing you can give to yourself. The effort and money you'll put here, that'll bring more value, style, and function to your bathroom.

For this package, we can do the following customizations:

- Wet bathrooms and curbless walk-in shower
- Heated flooring
- New vanity and countertops
- Updating all old finishes and fixtures
- New tub and toilet
- New lighting and air ventilation

The design process is easy and seamless. It'll be enjoyable for you, and our project manager will always keep in touch for updates and possible questions to know if all the changes work for you.
